CANTONAL COURT OF ZUG TERMINATES THE CHALLENGE PROCEEDINGS BETWEEN WALTER GRÜEBLER AND SIKA

Walter Gruebler has withdrawn his challenge action against the resolution of the annual general shareholders' meeting of April 14, 2015, to hold an extraordinary shareholders' meeting (see press release of June 11, 2015). As a result the Cantonal Court of Zug terminated the proceedings in its decision of November 12, 2015.

Walter Gruebler remains involved as so called intervenor in the pending challenge proceedings between Schenker-Winkler Holding AG (SWH) as claimant and Sika AG as defendant. These proceedings concern the restriction of the voting rights of SWH in the shareholders' meeting of April 14, 2015. A challenge of SWH against certain resolutions of the extraordinary shareholders' meeting of July 24, 2015, is also pending.

SIKA CORPORATE PROFILE

Sika is a specialty chemicals company with a leading position in the development and production of systems and products for bonding, sealing, damping, reinforcing and protecting in the building sector and the motor vehicle industry. Sika has subsidiaries in 93 countries around the world and manufactures in over 160 factories. Its approximately 17,000 employees generated annual sales of CHF 5.6 billion in 2014.
