MEGATRENDS DRIVE OUR GROWTH
URBANIZATION, NEW VEHICLE DESIGN AND SUSTAINABILITY

- New modular vehicle manufacturing concepts need fast, high strength bonding systems
- Increasing world population with urbanization and megacities
- Increased safety, fire, water, earthquake and quality requirements
- Increased demand for high performance concrete, sealing and waterproofing
- Rising demand for infrastructure and refurbishment solutions
- Sustainability: Increasing demand for safe-to-use and low-emission products
- New vehicle design with material mix requires bonding solutions

FORWARD-LOOKING STATEMENT

This presentation contains certain forward-looking statements. These forward-looking statements may be identified by words such as ‘expects’, ‘believes’, ‘estimates’, ‘anticipates’, ‘projects’, ‘intends’, ‘should’, ‘seeks’, ‘future’ or similar expressions or by discussion of, among other things, strategy, goals, plans or intentions. Various factors may cause actual results to differ materially in the future from those reflected in forward-looking statements contained in this presentation, among others:

- Fluctuations in currency exchange rates and general financial market conditions
- Interruptions in production
- Legislative and regulatory developments and economic conditions
- Delay or inability in obtaining regulatory approvals or bringing products to market
- Pricing and product initiatives of competitors
- Uncertainties in the discovery, development or marketing of new products or new uses of existing products, including without limitation negative results of research projects, unexpected side-effects of pipeline or marketed products
- Increased government pricing pressures
- Loss of inability to obtain adequate protection for intellectual property rights
- Litigation
- Loss of key executives or other employees
- Adverse publicity and news coverage.

Any statements regarding earnings per share growth are not a profit forecast and should not be interpreted to mean that Sika’s earnings or earnings per share for this year or any subsequent period will necessarily match or exceed the historical published earnings or earnings per share of Sika.
