

# WATERPROOFING

## SikaShield® W SYSTEMS

INNOVATIVE, TIME-SAVING, COST-EFFECTIVE GLOBAL SOLUTION  
FOR BELOW-GROUND WATERPROOFING

# SikaShield® W

AN EFFORTLESS, WET-APPLIED,  
ALL-WEATHER BITUMINOUS SYSTEM RANGE

**SikaShield® W IS AN INNOVATIVE SOLUTION** that combines the use of a polymer-modified bituminous membrane with a specially modified cement-based adhesive, ensuring fully bonded and reliable waterproofing of the substrate.

### A FAST SOLUTION FOR GREEN OR WET CONCRETE

This unique system overcomes the most common challenges in waterproofing below-ground structures, delivering an effective, effortless, and straightforward application for all seasons and job requirements.

Waterproofing over green or wet concrete, without the need for extensive substrate preparation, is no longer a problem!

### APPLICATION FIELDS

**SikaShield® W** is designed for non-exposed below ground waterproofing applications, such as:

- Foundations
- Basement slabs and walls
- Podium slabs

Can it also be used on:

- Wet areas
- Balconies
- Other non-exposed structures

### ADVANTAGES AND BENEFITS

SikaShield® W systems offer a fully bonded, high-adhesion waterproofing solution that keeps structures dry for years.

**ALL SEASONS**  
Application can continue once the rain stops

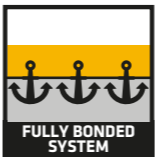

**EASY TO APPLY**  
Minimum substrate preparation

**FAST INSTALLATION**  
Can be applied on green concrete

**SAFE TO INSTALL**  
Application in confined spaces is simple, easy and effective

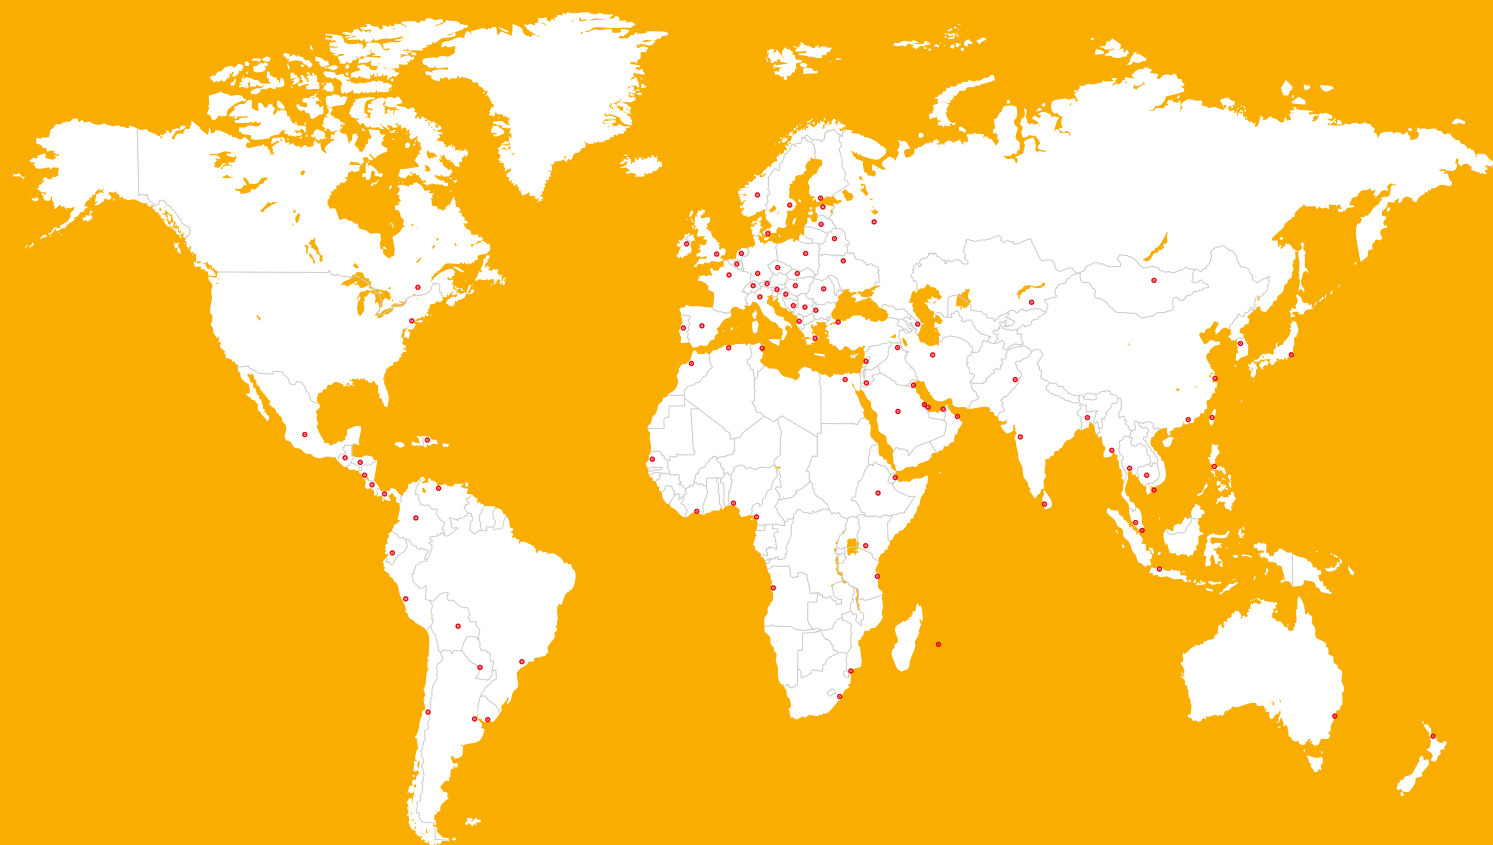

**FULLY BONDED**  
Completely adhered to the substrate

**HIGH ADHESION**  
Excellent peel adhesion to the concrete surface

# GLOBAL BUT LOCAL PARTNERSHIP

## FOR MORE INFORMATION:

### WE ARE SIKA

Sika is a specialty chemicals company with a leading position in the development and production of systems and products for bonding, sealing, damping, reinforcing and protecting in the building sector and the motor vehicle industry. Sika's product lines feature concrete admixtures, mortars, sealants and adhesives, structural strengthening systems, industrial flooring as well as roofing and waterproofing systems.

Our most current General Sales Conditions shall apply. Please consult the most current local Product Data Sheet prior to any use.
