

# HAVE YOU GOT WHAT IT TAKES?

“Our Building Future program begins with a project competition focusing on waste management - have you got what it takes to join our team?”

## PROJECT TRAINEESHIP

Waste management is a challenging part of our aim to be a sustainable and responsible company. We need immediate and creative solutions. Do you have what it takes to help us tackle this issue?

We are looking for an enthusiastic candidate whose ideas stand out from the crowd. Your reward will be the opportunity to join Sika Turkey to work with, and learn from, our professional team.

## WE NEED YOUR IDEAS

The Building Future project is a two phase social media oriented program. The focus is on waste management and the creative solutions needed to tackle this issue. We are looking for university students with innovative ideas - our chosen candidate will then be able to join Sika as a Project Trainee to implement their solution.

## MAKE A DIFFERENCE

At Sika we offer intensive training and interesting perspectives for anyone who takes on the challenge. We encourage you to take responsibility for your work and we nurture the pioneering characteristics of Sika. If you're ready to make a difference contact us on [bilgi@tr.sika.com](mailto:bilgi@tr.sika.com)

## ARE YOU...

- A student in architecture, chemistry, civil engineering, or marketing?
- Social media literate?
- Results oriented, presentable, and able to produce content for blogs and social media?
- Full of good ideas?

THEN WE NEED YOU.
