

Privacy Notice: Sand App

Purpose of Sand App

The Sand App is used to analyze sand and aggregates in a digital way, and in comparison with the traditional dry sieving, faster and mobile. The obtained results include the particle size distribution and particle shape information.

Data Capture

In addition in technical data inputted in the SandApp for the purposes of analyzing sand samples and aggregates ("**Input Data**"), the following personal data of Sika employees and external users (the "**Users**") can or will be stored and processed on the Sand App:

- E-Mail address, user name, password, customer (if natural person), location of customer (optional) and any personal data voluntarily provided in user's comments.

User email address, passwords and user names are required to log-in and use the Sand App. All other collected personal data may be used to improve our technical support.

We will only use your personal data in accordance with this policy unless otherwise required by applicable law. We take steps to ensure that the personal data that we collect about you is adequate, relevant, not excessive, and used for limited purposes.

This policy applies only to information we collect in this Sand App, email, and other electronic communications sent through or in connection with this Sand App.

Privacy laws generally define "personal data" as any information about an identifiable individual, which includes information that can be used on its own or with other information to identify, contact, or locate a single person.

The Input Data and data generated by the Sand App based on the Input Data ("**Output Data**") will be linked to a user (Mail-ID) to enable following functions:

- Make sure that users can access and restore their data (Access control)
- Store the consent of the users (user acceptance)
- Understand how the Sand App is used by users to improve the application
- Troubleshooting in case the user needs support

Data Access

Access to the system is granted based on the need-to-know principle.

External users (individuals outside of Sika): access to own and shared analyses (without personal data).

Internal normal user (Sika employees): access to own and shared analyses (without personal data).

Internal super user and support team: access to all user analyses and personal data.

Super users and support team are users who have access to your data for the following purposes: Supporting App users if they have questions, reviewing quality of performed analysis to give users

Privacy Notice: Sand App

feedback, analyzing how the App is used to further improve the App, operational support of the App, review the analysis to further improve the backend processes.

We do not disclose your personal data to third parties unless you have explicitly consented to such disclosure or we are legally obliged or entitled to disclose data due to local legal requirements and/or official governmental court orders or we have legitimate interest to do so, such in case of maintenance and support. In those case, technical security measures are in place to ensure that the data is transferred in a secure manner (e.g. encryption).

Your data are stored in the data centers located in Switzerland.

Legal basis

The legal basis for processing your personal data is your consent.

Retention period

In case you stop using the App and become inactive for one year, you will receive a notification asking you to log-in in the App. If you do not log-in in App within 30 days as of receipt of this notification, your data will be deleted.

You can be an active user of the App and still request deletion of your personal data via the below mentioned email address.

Responsibles

SIKA CANADA INC.

601, Delmar Avenue

If you have any questions about this privacy notice, please contact your Data Protection Responsible at privacy@ca.sika.com.

YOUR RIGHTS:

(a) Right of access:

You may have the right to obtain from us confirmation as to whether or not personal data concerning you is processed, and, where that is the case, to request access to your personal data. This access information includes – inter alia – provision of the information about the purposes of the processing, the categories of personal data concerned, and the recipients or categories of recipients to whom the personal data have been or will be disclosed.

However, this is not an absolute right, and the interests of other individuals may restrict your right of access.

You may have the right to obtain a copy of the personal data undergoing processing.

Privacy Notice: Sand App

Your requests are generally free of charge. We may charge a reasonable fee based on administrative costs in case your request is manifestly unfounded or excessive, in particular because of its repetitive character.

(b) Right to rectification:

You may have the right to obtain from us the rectification of inaccurate personal data concerning you. Depending on the purposes of the processing, you may have the right to have incomplete personal data completed, including by means of providing a supplementary statement.

(c) Right to erasure ("right to be forgotten"):

Under certain circumstances, you may have the right to obtain from us the erasure of personal data concerning you and we may be obliged to erase such personal data.

(d) Right to restriction of processing:

Under certain circumstances, you may have the right to obtain from us restriction of processing your personal data. In this case, the respective data will be marked and may only be processed by us for certain purposes.

(e) Right to data portability:

Under certain circumstances, you may have the right to receive the personal data concerning you, which you have provided to us, in a structured, commonly used and machine-readable format and you may have the right to transmit those data to another entity without hindrance from us.

(f) Right to object:

Under certain circumstances, you may have the right to object, on grounds relating to your particular situation, to the processing of your personal data by us and we can be required to no longer process your personal data.

Moreover, if your personal data is processed for direct marketing purposes, you have the right to object at any time to the processing of personal data concerning you for such marketing, which includes profiling to the extent that it is related to such direct marketing. In this case your personal data will no longer be processed for such purposes by us.
